Banshee^{MT} Multi-Tone Sounder

- EN54 - 3 approved CPD, LPC & VdS.
- 12v & 24v approved
- Ultra low current consumption
- 32 user selectable tones
- Choice Of 3 volume levels
- Rated IP66 or IP45
- Installation via side & rear cable entry
- Easy push & twist lockable bayonet mounting
- Temperature range from -40 to +70°C
- Simple in & out wiring blocks offering continuous override and dual signalling
- Full range of accessories & colours available

The Banshee^{MT} has been designed to replicate the performance of the original Banshee and Bedlam sounders, by combining the two products into a single, 32 tone, fully compatible efficient sounder.

Not only does the Banshee^{MT} contain all of the features of a market leading sounder using the acoustic expertise of Hosiden Besson, it also fully meets the expectations of the architect, installer and the user.

Manufactured in a flame retardant ABS and available in a range of colours the Banshee^{MT} is a product designed to meet all applications.

The Banshee^{MT} is easily installed and fitted with robust terminations within an aesthetic design and radical profile. The bayonet push and twist feature enables an easy installation, which results in an effective product that blends with its surroundings.
